# ABOUT TRIUMPH

- Reborn in 1990
- A successful global business with 5 manufacturing plants in the UK and Thailand, plus assembly facilities in Brazil and India
- Our model range has grown from 6 bikes back in 1990 to 30+ bikes today, with more to come
- The 60,000+ Triumph Motorcycles we produce each year are sold through a global network of over 600 dealers, in 55 countries, across 5 continents
- More than 80% of our bikes are sold outside of the UK

# ABOUT TRIUMPH

- Nearly half of Triumph employees in the UK work in design and development
- Every new part and bike is tested to its absolute limits in every conceivable condition
- During assembly over 400 separate checks are made to ensure every bike is built to our incredibly high standard
