

Thank you for choosing a Triumph motorcycle. This motorcycle is the product of Triumph's use of proven engineering, exhaustive testing, and continuous striving for superior reliability, safety, and performance.

This service handbook has been produced to provide a simple means of recording the servicing of your motorcycle and includes details of the warranty and other useful information concerning your motorcycle.

Ensure that the information in the table on **page 2** is correctly filled in.

Maintain maximum protection under warranty by ensuring your motorcycle is serviced in accordance with the recommendations of the scheduled maintenance chart in the Owner's Handbook.

If you should sell your motorcycle, ensure this book together with the other relevant documents are passed to the new owner. Please advise the new owner that he or she can notify Triumph of the change of ownership by completing the form found on the Triumph web site at www.triumphmotorcycles.com.

All new Triumph motorcycles are covered by a 24 (Twenty-four) month unlimited mileage warranty, commencing from the date of first registration or the date of sale if the motorcycle remains unregistered.

Within the warranty period, TRIUMPH MOTORCYCLES LIMITED warrant the new Triumph motorcycle detailed on **page 2** to be free from any defect in materials used in the manufacture, and/or workmanship at the time of its manufacture.

Any part found to be defective during this period will be repaired or replaced at the discretion of TRIUMPH MOTORCYCLES LIMITED by an authorised Triumph dealer.

Any part replaced under the warranty will be covered for the remaining period of the warranty.

Any parts replaced under warranty must be returned to TRIUMPH MOTORCYCLES LIMITED by the dealer/distributor and will become the property of Triumph Motorcycles Ltd.

Triumph may, at its discretion make any repairs or replacement of defective parts falling outside the warranty, but such work shall not be deemed to be any admission of liability.

Triumph will bear labour charges for work carried out under the warranty.

Triumph Motorcycles have taken great care in the selection of materials, plating and painting techniques so as to provide its customers with a quality cosmetic appearance allied to durability. However, motorcycles are often used in hostile environmental conditions and in these circumstances it is essential that the motorcycle is washed, dried and lost lubricity replaced to prevent discolouration particularly of plated and unplated metallic surfaces. Your dealer can provide further information and advice if required. Ultimately the appearance of your motorcycle will very much depend on the care it receives.

For further information in regards to caring for your motorcycle, refer to the Owner's Handbook.

The following pages are used to record services carried out by your authorised Triumph dealer. Motorcycling will be enhanced by the knowledge that your motorcycle is being serviced to the high standards demanded by Triumph Motorcycles Limited.

Moreover, proof that your motorcycle has been serviced to these standards could be a useful aid in case you decide to sell your motorcycle or to exchange it for another Triumph motorcycle.

Your motorcycle may require more frequent servicing if operated in severe climates or conditions, or if used for short, stop-start journeys. Further information can be obtained from your authorised Triumph dealer.
